In case changes or cancellations are made with less anticipation than the established one, there will be no point or cash reimbursements. In case there is a no-show on the date of the first booked night, this will be considered No Show (no points or reservation fee reimbursements) and the hotel will be free to give the rooms to other guests. Once the contract has expired, no changes or cancellations will be applied.

Reservation Fee Policy:

A reservation fee may apply whenever the Kívac® contract states that this fee is NOT included in the established price per point.
